

EAST BELMONT BAPTIST CHURCH

BEACON

May 2012

A NOTE FROM PASTOR JEFF

Dear Church Family,

We are now one month away from our momentous centennial celebration service. Sunday June 10, 2012 will be a very special day as the congregation of East Belmont Baptist remembers its past and how God has been faithful and gracious to His church.

I want to thank each person who has been faithfully serving on the committees related to the upcoming centennial celebration. The Centennial Committee has been making plans and working hard to organize the events for our celebration day. They have put a lot of time and effort into the planning and they have done a marvelous job! A special thanks to Bill McCumbee for chairing this committee and to each member who has faithfully served the church in this capacity.

The pictorial committee has also been working diligently to organize and plan our pictorial directory. They have spent much time contacting church members and making sure everyone knows about it. The pictorial directory will be an exciting part of our centennial celebration highlighting the history of the church with current information about the church and it's ministries. If you haven't signed up to have your picture taken for the pictorial directory please do so. Special thanks also goes out to Tony Hodge for chairing this committee and to each member who has been faithful in serving the church in this capacity.

It is important for the congregation to honor those who have served God over the past 100 years and to respect their hard work in the church. Our history is a reflection of who we are today. However, we need to be reminded that we can't truly honor the past without looking to the future. When we celebrate what God has done in the past let us remember that He is the God of our future. We celebrate the past but we know that God has something greater in store for East Belmont Baptist Church.

Jesus said that those who have faith in Him will do what He did and they will also do greater things.

John 14: 12

As we prepare to celebrate the past, remember God wants us to do greater things in the future. This will happen when we are obedient to God's call and willing to pray for God to be glorified in everything we do. To God be the Glory great things He has done.....and will do!

Your Grateful Pastor

Jeff Taylor
